MORE ARC LIGHTS

WILL BE LOCATED BY A SPECIAL COMMITTEE.

Additional Service Authorized by the Council Last Night—There Are Now 327 Sewer Connections—Balance on Hand November 30, \$6720.74—Time Allowed Trains on Crossings Will Be Curtailed.

Within the course of a few weeks the city of Pendleton will be provided with 16 additional arc lights, to be distributed along the several streets. At last night's session of the city council the mayor upon motion, was empowered to name a committee of three councilmen to go over the town and locate the new lamps.

The session of the council last night was brief. All the councilmen with the exception of Sewell, were in attendance. Mayor Matlock presided. A petition was received from residents along Bush street, asking that Bush street be improved from Jackson street south to the Umatilla river.

A petition asking that the grade of Lincoln street be re-established, was submitted and referred to the street committee.

The monthly reports of the recorder, marshal, sewer inspector and city treasurer were placed on file.

The sewer inspector reported seven connections made last month, making a total now of 327.

The report of the treasurer follows:

Balance on hand October 31 of \$10,598.38; receipts for the month of November, \$5901.85, and expenditures, including warrants on levee fund, of \$9773.49, leaving a balance on hand November 30 of \$6720.74.

The following bills were audited and allowed:

Carney & Kennedy, \$1; J. W. Kimball, \$2.50; Northwestern Gas & Electric company, \$287; A. D. Thompson, \$1.25; Turner Bros., \$6; Goodman-Thompson company, \$466; W. C. Mims, \$12; Hobach Bros., \$6; James Hooper, \$5.50; Gerry Kimball, \$2.15; Jerry Barnhart, \$2; W. D. Papeman, \$52; Gray's Harbor Commercial company, \$52.50; George Meeker, \$2.50; Frank Day, \$2.50; Claude Penland, \$2.50; Elmer Turner, \$2.50; Thomas Lane, \$2.50; William E. Walsh, \$9.50; H. Stewart, \$31.10; Al Peters, \$1.25; F. M. Murphy, \$1.25; John Thorpe, \$12.

The returns of the recent volunteer fire department election were canvassed.

Chairman Dickson called attention to an ancient ordinance which allows trains to stop for 20 minutes on a street crossing, and recommended that it be amended. The city attorney was instructed to draft a new bill amending the ordinance. And then the council adjourned to watch a fire extinguisher demonstration.

GOOD APPLE COUNTRY.

W. F. Buckner Says Umatilla County Cannot Be Excelled.

"Many mistakes were made by the pioneer orchardists in this country, in selecting the variety of apples to plant," said W. F. Buckner, an experienced orchardist, living near the state line in Umatilla county, to the East Oregonian today.

"Because of these unfortunate mistakes, some of the oldest bearing apple orchards in the county produce fruit that is not saleable, to day, in competition with fruit grown on well selected orchards. In the first place, apples should be selected to suit the country in which they are to be grown, and then varieties should be selected to suit the market in which they are to be sold.

"Here, where the market for winter apples is in the northern states, where long, cold winter are the rule, hardy, good keepers must be grown. Apples that ripen and begin to decay in the middle of the winter are not the kinds to grow here.

"I have found the Rome Beauty, the Winesap, and the Yellow Newton Pippin, to be the best adapted to this country. They will grow well under irrigation, are not so susceptible to worms, and are good keepers beside being attractive in appearance.

"The irrigated districts of Northern Umatilla county are highly adapted to apple culture. There is no place in the West that offers greater natural advantages for magnificent apple orchards than here, but many of the old orchards have been badly neglected, and were not well selected in the first place."

150 PASSENGERS.

Walla Walla-Pendleton Special Is Showing Results.

The Walla Walla-Pendleton special this morning brought 150 passengers from Walla Walla, Milton, Weston, Athena and Adams. The train arrived in this city at 9:30 o'clock and will leave this evening at 5:35, just after the arrival of the Spokane passenger.

The special is beginning to show results, and persons desiring to come to Pendleton on business wait until Thursday, in order to take advantage of the special rate and the opportunity of spending the entire day in town.

T. G. HAILEY RETURNS.

Was Successful in His Fight of Way Cases on the Condon-Arlington Railway Line.

T. G. Hailey returned last evening from Condon where he has been engaged in several right of way suits, along the line of the Condon-Arlington railway.

He was successful in the two cases tried, winning a verdict for \$2700 in one and \$900 in the other. The set-

tlement of the cases on this basis was largely due to the liberal policy of J. W. Morrow, right of way and land agent for the O. R. & N., who made a close personal investigation of the claims, and consented to allow something near the value of the right of way, to the owners of the land.

A large number of men are working on the Condon-Arlington branch road, and it will be hurried to completion as rapidly as possible. While this road will open up an extensive country, Mr. Hailey declares that none of the country tributary to it, compares to the Umatilla county wheat or alfalfa land.

Many settlers are going into the interior, in hopes that the railway facilities will afford an outlet for increased products, but there is very little good farming land left vacant anywhere within a reasonable distance of the proposed line.

In all his travels this season, Mr. Hailey has not yet found a country that offers the same opportunities for all classes of people, as the west, and especially Umatilla county.

Dr. Calhoun Cannot Come.

Word was received yesterday that Rev. J. C. Calhoun had been called east by the death of his mother, and would be unable to fill further engagements for western meetings at present. It is hoped that he may visit Pendleton later in the year. Rev. W. S. Holt, D. D., of Portland, will speak at the meeting at the Presbyterian church at 7:30 this evening.

Off to the Penitentiary.

Sheriff T. D. Taylor and Special Deputy H. W. Fowler departed this morning for the state penitentiary at Salem with Otis Franklin and Charles Stickler. The prisoners pleaded guilty to stealing a buggy and a team of horses and were sentenced to two years each in the state penitentiary.

Carried \$2000 Insurance.

PRIZES FOR ESSAYS

PUBLIC SCHOOL STUDENTS
IN SPIRITED CONTEST.

Sons of American Revolution in Oregon Offer Three Prizes of \$25, \$15 and \$10 for Best Essay by Public School Student Under 24, on Historical Subject—Eugene and Aker City Won Prizes Last Year—Pendleton Hopes to Win This Year.

Public school students of Oregon will again be given the opportunity of competing for prizes on essays written on Revolutionary war subjects.

The Sons of the American Revolution in Oregon have offered three prizes for essays to be written by any pupil of the public schools, of Oregon, under 21 years of age, on either of the following subjects:

The Quebec Campaign.

The Co-operation of the French, how brought about and the results.

Essays to enter the competition must be written on foolscap paper, not over 2500 words in length on one side of the paper only, and in a clear, legible hand, and must be forwarded to General Thomas M. Anderson, 251 North Twenty-fourth street, Portland, Or., not later than February 1, 1905.

The prizes are as follows: First, \$25; second, \$15, and third, \$10. The requirements of the contest and the points in the examination are to be on: first, historical accuracy; second, manner of treatment, and third, orthography, grammar and syntax.

The Oregon Society of the Sons of the American Revolution is a purely patriotic society composed of those whose ancestors fought in the Revolutionary war, for American independence, and the object of the society in offering prizes is to stimulate a

love of historical subjects among students.

All the public schools in the state will enter the contest. Last year one of the prizes went to Baker City, and one to Eugene. Pendleton hopes to capture one of them this year.

LECTURE COURSE ASSURED.

Epworth League Arranged for Four High-Class Entertainments for the Winter Months.

Four high-class entertainments have been engaged by the Epworth League, for its lecture course, to be given at the M. E. church, during the next three months.

The first number will be a concert by Prof. Heritage of the Spokane Conservatory of Music, to be given next Tuesday night, December 13. Professor Heritage is one of the most proficient concert performers on the coast and has attracted large crowds wherever he has appeared.

The other numbers, the dates of which have not been definitely arranged, are a lecture by Rev. Ira D. Driver of Eugene, the well known lecturer and preacher of international fame, the Dixie Jubilee Singers, and Prof. Coleman of the Willamette University, in a lecture. Dates for the three last entertainments will be announced later.

The league has every assurance that all these numbers are of the highest possible order, and the lecture-loving public of this city is assured of an entertaining diversion in this course of lectures and concerts. Rev. Driver has just returned from an extended tour of the United States and Europe, in which he has delivered over 100 lectures on various topics and is a recognized master of the art.

He has been a resident of Lane county for over 50 years, and is one of the most powerful pulpit orators in the state. He was formerly a member of the Oregon state senate, and is also a political speaker of national reputation.

FOR VAUDEVILLE SHOWS.

Manager of the Bijou Circuit of Portland Looks Over Situation Here.

W. H. Brown of Portland, manager of the Bijou Theatrical circuit, a line of vaudeville shows of the highest class, and Mike Goldstein, the veteran showman of Boise City, were in the city this afternoon looking over the theatrical situation with the view to starting a vaudeville house here, to be on the regular Portland-Seattle-Tacoma-Boise City circuit.

Owing to the impossibility of finding a vacant building, and also that light could not be furnished them, the project is not to be further pursued, at this time.

Both gentlemen are experienced showmen, and would place Pendleton on a circuit that would bring the best vaudeville on the road to this city.

The total vote of Rhode Island was 76,460, and George Utter, the republican candidate for governor, received a plurality of 856.
